About ILAS

The International Lighting and Automation Summit is set to redefine the future of illumination and intelligent design. Curated by industry visionaries and global thought leaders, this landmark event is where innovation meets collaboration—bringing together the brightest minds shaping the world of architectural and professional lighting automation.

Designed as a hub of thought leadership and discovery, the summit opens its doors to top lighting consultants, designers, electrical experts, architects, interior designers, developers, contractors, manufacturers, and distributors. It's more than a conference—it's an immersive experience that fosters knowledge-sharing, networking, and the unveiling of next-generation smart lighting solutions.

As the demand for automation revolutionizes how we design, control, and experience light, this summit becomes the stage for breakthrough technologies, trailblazing ideas, and transformative conversations.

Hosted in the vibrant city of Mumbai, the International Lighting and Automation Summit will spotlight renowned international lighting designers, leading architects, and industry dignitaries from across India. Together, they will ignite dialogue, spark innovation, and celebrate the brilliance of what's next in lighting automation.

This is not just a summit—it's a pivotal moment in the evolution of smart, sustainable, and human-centric lighting.

WHO WILL ATTEND

THE SUMMIT WILL HOST AN EXCLUSIVE GATHERING OF:

Visionary Lighting Designers & Consultants -

Pioneers shaping the future of architectural and professional lighting.

Electrical & Automation Specialists -

Experts driving innovation in integrated, intelligent systems.

Renowned Architects & Interior Designers -

Creators who blend design, technology, and human experience.

Influential Developers & Contractors -

Decision-makers spearheading large-scale projects and smart infrastructure.

Global Lighting Manufacturers & Distributors -

Industry leaders showcasing next-generation products and solutions.

Policy Makers & Industry Dignitaries -

Voices influencing the future of sustainable, smart lighting ecosystems.

EVENT HIGHLIGHTS

- **CONFERENCE**

Gain strategic insights from Indian and international experts driving innovation in lighting and automation.

- **SHOWCASE OF EXCELLENCE**

Explore 13 years of benchmark installations that set new standards in lighting design and technology.

- **EXPERIENTIAL LIGHTING DISPLAYS**

Discover interactive, project-focused demonstrations that reveal how lighting automation adds measurable value to design and development.

- **HIGH-VALUE NETWORKING**

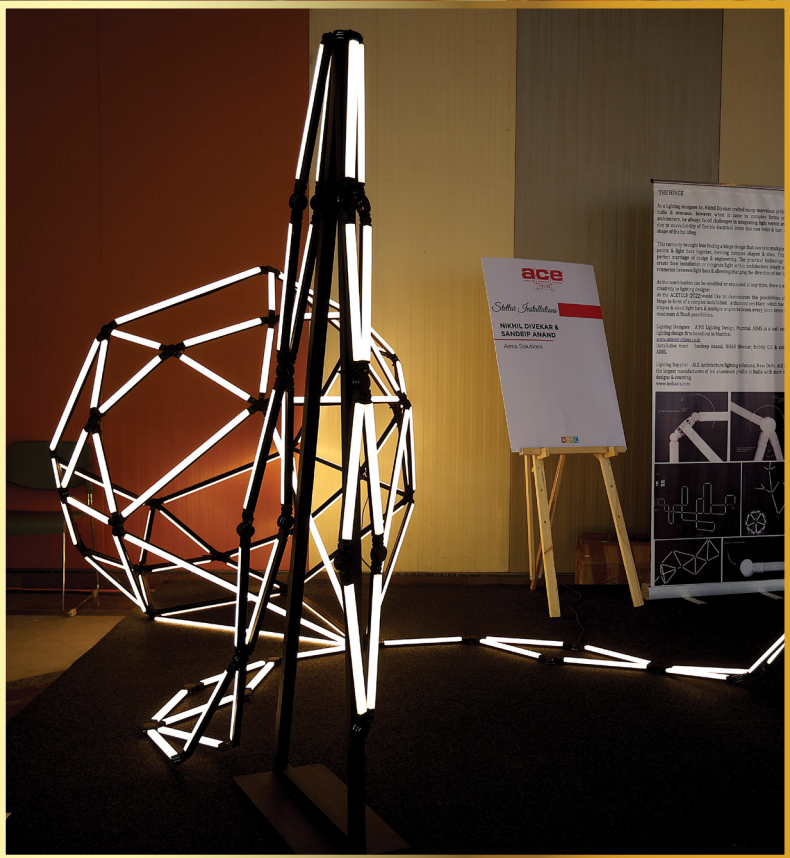

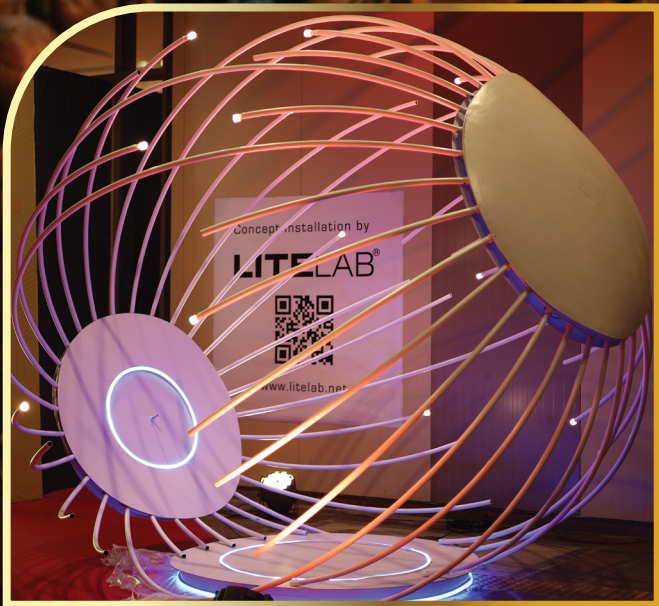

Build partnerships with top consultants, developers, architects, and global industry leaders.

- **FUTURE-READY SOLUTIONS**

Uncover cutting-edge, sustainable, and intelligent lighting concepts shaping tomorrow's environments.

LIGHTING INSTALLATIONS

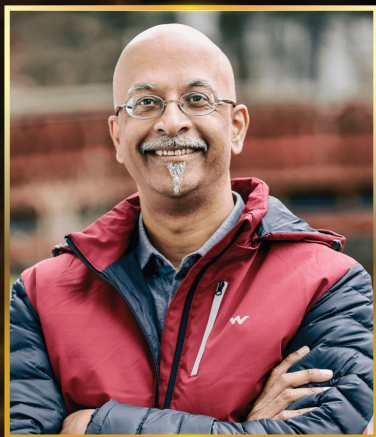

Step into a curated journey of brilliance with 13 years of iconic lighting installations by leading designers from India and around the world. These installations go beyond aesthetics—they demonstrate how light can shape spaces, transform emotions, and redefine experiences. From artistic storytelling to cutting-edge technology, each installation is a celebration of creativity, innovation, and the boundless possibilities of illumination.

IN CONVERSATION WITH EXPERTS

The International Lighting and Automation Summit (ILAS) stands as a premier platform dedicated to Shaping Intelligent Environments. Bringing together the most influential voices in the industry, this conference is where visionaries, innovators, and decision-makers converge to explore the future of light and automation.

With participation from top lighting designers, renowned architects, leading association members, electrical and automation experts, developers, and industry pioneers, ILAS fosters an unparalleled environment for knowledge exchange, collaboration, and networking.

EXHIBITOR OPPORTUNITY

At ILAS, exhibitors have a unique platform to showcase their products, lighting solutions, and automation designs through smart, experiential displays that truly demonstrate the power of light in shaping intelligent environments.

Beyond display opportunities, brands can also engage directly with top architects, designers, consultants, and developers by hosting sponsored lunches and high teas across the two days, creating valuable touchpoints for networking and brand visibility.

This is more than an exhibition—it's an immersive brand experience that connects innovation with influence.

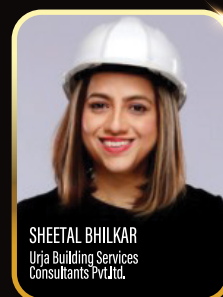

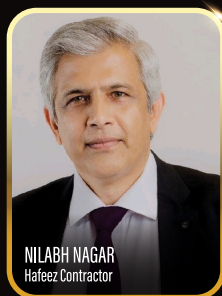

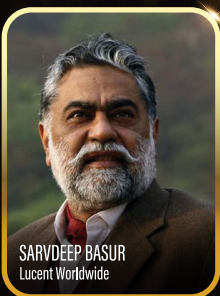

PAST GLIMPSES- AWARDS & NETWORKING

PATRONS OVER THE YEARS

SPONSORSHIP

Title & Premium Sponsorships:

- Title Sponsor – “ILAS presented by [Brand]”
 - Powered By Sponsor
 - Associate / Co-Sponsors
-

Knowledge & Content Sponsorships:

- Conference Session Sponsor (branding + speaking opportunity in a key panel)
 - Panel Discussion Partner (specific topic sponsor, e.g., “Smart Lighting powered by...”)
 - Workshop / Masterclass Partner
 - Keynote Sponsor
-

Experiential Sponsorships:

- Experiential Lighting Display Partner (immersive brand showcase)
 - Installation Zone Sponsor
 - Innovation Lab / Tech Showcase Partner
 - Experience Lounge Sponsor
-

Networking & Hospitality Sponsorships:

- Lunch Sponsor (Day 1 / Day 2)
- High Tea / Coffee Break Sponsor
- Networking Evening / Cocktail Sponsor
